

Always look on the bright side of life

Słowa: Eric Idle

1. a D G e

Some things in life are bad they can really make you mad
Other things just make you swear and curse
When you've chewing a life's gristle Don't grumble give a whistle
And this'll help things turn out for the best

Ref: || G e a D7 G e a D7

And always look on the bright side of life
Always look on the light side of life

2.

If life seems jolly rotten there's something you've forgotten
and that's to laugh and smile and dance and sing.
When you're feeling in the dumps don't be silly chumps
Just purse your lips and whistle - that's the thing

Ref: ||

And always look on the bright side of life
Come on always look on the bright side of life

3.

For life is quite absurd and death's the final word
you must always face the curtain with a bow
Forget about your sin - give the audience a grin
Enjoy it - it's your last chance anyhow.

Ref: ||

So always look on the bright side of death
just before you draw your terminal breath

4.

Life's a pice of shit when you look at it
Life's a laugh and death's a joke that's true
You'll see it's all a show keep'em laughing as you go
just remember that the last laugh is on you

Ref: ||

And always look on the bright side of life
Always look on the right side of life

(Come on guys, cheer up)
