

# Always look on the bright side of life

**Słowa:** Eric Idle

**Wykonawca:** Monthly Python

1. a D G e

Some things in life are bad they can really make you mad  
 Other things just make you swear and curse  
 When you've chewing a life's gristle Don't grumble give a whistle  
 And this'll help things turn out for the best

Ref: || G e a D7 G e a D7

And always look on the bright side of life  
 Always look on the light side of life

2.

If life seems jolly rotten there's something you've forgotten  
 and that's to laugh and smile and dance and sing.  
 When you're feeling in the dumps don't be silly chumps  
 Just purse your lips and whistle - that's the thing

Ref: ||

And always look on the bright side of life  
 Come on always look on the bright side of life

3.

For life is quite absurd and death's the final word  
 you must always face the curtain with a bow  
 Forget about your sin - give the audience a grin  
 Enjoy it - it's your last chance anyhow.

Ref: ||

So always look on the bright side of death  
 just before you draw your terminal breath

4.

Life's a piece of shit when you look at it  
 Life's a laugh and death's a joke that's true  
 You'll see it's all a show keep'em laughing as you go  
 just remember that the last laugh is on you

Ref: ||

And always look on the bright side of life  
 Always look on the right side of life

(Come on guys, cheer up)
